

COFFEE MAKERS FOR GLASS AND THERMOS JUGS

Animo

Aromatic B-range

The Aromatic B-range

Fresh filter coffee in just a few minutes. The coffee brewers of the Aromatic B-range make it possible. Special features of the Aromatic B-range is the ingenious open boiler brewing system. It makes the brewer less susceptible to scale deposit and makes descaling easier. This enables you to save considerably on maintenance costs and makes the brewer perfect for hard water areas. The B-range includes various models. For instance, you can choose between glass jugs or thermos jugs. In addition the equipment can be supplied with a hot water tap or with extra hot plates (A 21/ A 22), all manufactured in high quality, stylish CrNi 18/9 stainless steel. The brewers in this range are suitable for use with extra fine ground coffee. Compatible with Animo 90/250 filter papers or permanent filters.
